Space and Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — Scientific Research Corporation, Atlanta, GA is being awarded a \$9,523,256, Cost-Plus-Fixed-Fee type contract for SSC Charleston. This contract will provide program management, systems engineering, and production integration/testing services for Cryptologic and Information Warfare Exploitation Systems in support of SSC Charleston Code 71. This contract includes options which, if exercised, would bring the cumulative value of this contract to \$29,923,286. Work will be performed in Charleston, SC (50%), at various U.S. Government activities around the world (50%), and is expected to be completed by 13 May 2002. If all options are exercised, the period of performance will continue through 13 May 2004. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured through the Space and Naval Warfare Systems Command electronic commerce web site and Commerce Business Daily, with three offers received. The Space and Naval Warfare Systems Center, Charleston, SC, is the contracting activity (N65236-01-D-7830).
